
Fun tourney

Thanks for putting on a good tourney, Jim.

It was a good day fishing. The big fish were shallow and willing to bite. There were some really nice fish brought to the scale.

For me, the Victory Jig and Victory Spinnerbait caught the best fish.

I second that comment, awesome fun fishing the river, thanks Jim. I'm looking forward to more fishing already. I just hope I get out again before the h2o freezes. My fish were caught on a chatterbait and a reverse buzz.

AWESOME FUN:) :laugh: ;) B)
